

2023 – 2024 Mathematics Overview → Year 3

Autumn 1 (8 weeks)	<p>Numbers and the number system</p> <p>Calculating: addition and subtraction</p> <p>Calculating: multiplication and division (x2, x4, x8) Part 1 of 3</p>	Autumn 2 (7 weeks)	<p>Counting and comparing</p> <p>Exploring time 1 of 2</p> <p>Exploring money</p>	Spring 1 (5 weeks)	<p>Calculating: multiplication and division (x3, x6, x9) 2 of 3</p> <p>Exploring fractions</p>	Spring 2 (5 weeks)	<p>Calculating: multiplication and division (efficient methods) 3 of 3</p> <p>Measuring space (measuring including perimeter)</p>	Summer 1 (7 weeks)	<p>Calculating fractions & decimals</p> <p>Presentation of data</p> <p>Visualising and constructing</p>	Summer 2 (6 weeks)	<p>Exploring time Part 2 of 2</p> <p>Investigating angles</p>
Homework	Time (Telling time Y2 revision) + arithmetic		Multiplication tables (x2,x4, x8) + arithmetic		Measures (reading scales) + arithmetic		Multiplication tables (x3, x6, x9) + arithmetic		Data (Simple charts) + arithmetic		Shape (2d 3d shape properties) + arithmetic
