

The Oaklands Year 6 Autumn 2 Curriculum Overview

Dates for the Diary PE days:

Eagles—Indoor on Wednesdays

Outdoor on Thursdays

Osprey— Outdoor on Mondays

Indoors on Wednesdays

In Reading, we will be learning about:

We will be practicing a variety of questions to start to prepare us for our SATs. We will look at a variety of texts to ensure that we have a broad range of reading opportunities.

We will also be reading for pleasure in class and hope that you and your child will continue with this at home.

In Maths, we will be learning about::

In Maths, we are going to be investigating properties of shape, where we will identifying the difference between regular and irregular polygons; properties of quadrilaterals; different types of triangles; and investigating symmetry.

We will also be calculating space, looking at the strategies to estimate and calculate the area of shapes, as well as the volume of 3D shapes. Furthermore, we will build methods to find the perimeter of shapes and use this to problem-solve.

In Writing, we will be learning about:

In this half term, we will be firstly be writing for suspense, using a chilling video clip—Alma—as inspiration for our writing. From there, we will be writing a formal letter, applying our knowledge of climate change and the changing polar conditions to inform others of what is happening.

Our curriculum project is: Frozen Kingdom

Our main subject we will be focusing on is: Geography

Across this project, we will begin by studying the way Earth is divided up using lines of latitude and longitude. From then, we will learn about different biomes, focusing particularly on Polar regions. We will then apply our knowledge of the planet and poles to find out about climate change and how we can support efforts to prevent it.

In Art, we will be learning about:

We will be learning how painting and mixed

media is used by different artist to present different ideas.

In French, we will be learning about:

We will be learning about how to say a variety of

nouns in French
(including musical instruments and learning numbers up to 10.

In Music, we will be learning about:

We will be learning about the music genre of Jazz, with a focus on

improvisation using instruments.

In P.E, we will be learning about:

Indoor—Cricket with Warwickshire
Cricket Club

Outdoor—Football

In P.S.H.E / R.H.E, we will be learning about:

In RHE, our unit is titled "Celebrating Differences", in which we will consider what "normal" means and how our life experiences can vary, which informs our perception of the world.

In R.E, we will be learning about:

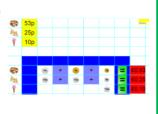

We will be learning about Sikhism and focusing on the Sikh celebration of Bandi

Chhor Divas. We will learn about why this is celebrated and how it is celebrated.

In Computing, we will be learning about:

In computing, we will be using Purple Mash to learn about data processing and the use of spreadsheets.

Useful Curriculum websites, activities and places to visit:

Watching Frozen Planet II on BBC iPlayer would support our learning

(and is a very enjoyable watch too!)
