

The Oaklands Primary School
SUMMIT LEARNING TRUST

The Oaklands Year 6 Spring 1 Curriculum Overview

Dates for the Diary

Tuesday 9th January– Victorians Workshop

Monday 15th January—Year 6 Parent meetings with class teachers

Monday 19th February—WWII Workshop

Wednesday 13th

In Reading, we will be:

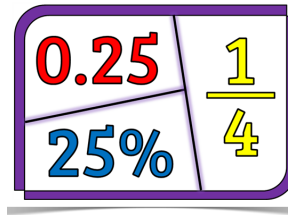

practicing a variety of questions to start to prepare us for our SATs. We will look at a variety of texts to ensure that we have a broad range of reading opportunities.

We will also be reading for pleasure in class and hope that you and your child will continue with this at home.

In Maths, we will be learning about::

Fractions, Decimals and Percentages. This accounts for a huge proportion of Year 6 learning, so we will be spending lots of time on it and making sure we get it nailed!

We will also be working on our general arithmetic skills

In Writing, we will be:

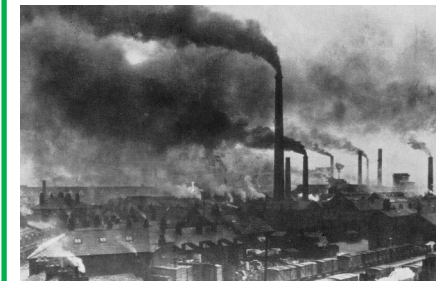

writing for a setting description, trying our best to include figurative language to create an image in our reader's minds. Then, we will be writing a biography, based upon a person who is an inspiration to us.

Our curriculum project is: Revolution

Our main subject we will be focusing on is: History

As part of our Revolution project, we will be diving into the lives of Queen Victoria and her husband, Albert. From here, we will begin learning about the Industrial Revolution and its impact, as well as learning about famous Victorians.

In Art, we will be learning about:

how painting and mixed media is used by different artist to present different ideas.

In French, we will be learning:

how to say a variety of nouns in French (including musical instruments and learning numbers up to 10.

In Music, we will be learning to:

play the xylophones in school. We will be using them to help us learning how to play a variety of Jazz music.

In P.E, we will be learning about:

Gymnastics. In gymnastics we will be learning how to use variations in level, direction and pathways. We will also learn how to combine and link actions and develop sequences.

In P.S.H.E / R.H.E , we will be learning about:

“Dreams and Goals”.

Across the half term, we will learn about the value of perseverance and resilience, as well as learning about teamwork and supporting not just ourselves but others to achieve.

In R.E, we will be learning about:

Buddhism.

We will learn about the life (and death) of Buddha, what Nirvana is and about Buddhist beliefs about the Wheel of Life.

In Computing, we will be learning about:

Microsoft Office programmes and uplevelling our skills on word, excel and PowerPoint. We are lucky to have a specialist computing company come in to deliver our Computing lessons for the rest of the year.
